

KSA Email Handling Instructions

On-brand Tone You get scored on each of the below separately:

1. Use a friendly yet professional tone that matches the customer's formality level.
2. Explain technical concepts clearly and at a level the customer can understand.

Accuracy You get scored on each of the below separately:

1. Always greet the customer by their correct name.
2. Carefully read the entire question, including any implied parts, and address all points.
3. Provide the correct and complete answer to the customer's query.
4. Show strong product knowledge to build trust and credibility.

Empathy & Willingness to Help You get scored on each of the below separately:

1. Acknowledge and understand the customer's emotions or concerns. This is the one section that we lose points on please be extra mindful to achieve the targeted 100% Email quality,

Soft skills, Give me all the soft skills guys! Below is a great example:

Dear Maroooy,

Thank you so much for joining us at EdgeX 2025. We're very sorry to hear you're having this issue.

The event ended on April 16, and we truly hope you had a good time and found it helpful. It was a pleasure to have you with us.

Kindly note that if the workshop you attended includes a certificate, it will be sent to your email after our team finishes the post-event work. Thank you for your patience and understanding.

Additionally, you can also contact the support team directly at edgex@tahaluf.com — they'll be happy to assist you.

Thanks again for being with us. We hope this information assists you in planning smoothly and we are looking forward to seeing you again soon!

If you have any further enquiries, please do not hesitate to message us by WhatsApp on +966555953750 or call us on our hotline +966115101913. We are available to you from 9 to 5 Sunday to Thursday KSA time.

Kind regards,

Salma Hany
EDGEEx Customer Services Team

2. Ask clarifying questions when needed and explain why you're asking them.

3. Avoid negative language; stay positive and solution-focused.

Business Writing Style You get scored on each of the below separately:

1. Customize your responses to the specific customer situation rather than using generic replies.
2. Check spelling and grammar carefully to avoid mistakes.
3. Use bullets and spacing to make your email easy to read.
4. Attach files or screenshots if they help explain or solve the issue better.

Process & Procedures You get scored on each of the below separately:

1. Use the correct tags or categories for the email to keep records organized.
2. Assign the email to the right team or group if escalation is needed.
3. Leave clear internal notes for colleagues if necessary.
4. Follow company policies.
5. Respond within the agreed service level agreement (SLA) timeframes.
