ACCESSING YOUR DIGITAL BADGE

You can access your digital badge directly through the **LEAP 2026 app**.

Use your **badge to gain access** to the exhibition halls and to share your details with other exhibitors.

Please note, your main stand holder **MUST have registered you for an exhibitor badge** using your unique work email via the Customer Centre in order for you to login to the app as an Exhibitor.

ACCESSING THE LEAD RETRIEVAL TOOL AND COLLECTING LEADS

- 1 Click on the **scan button** at the middle of the navigation bar to activate the lead retrieval tool
- 2

Scan the **QR code** from a printed badge or the Event app

LEAD QUALIFICATION

3 Scanning will automatically **create a connection** between you and the person you scan. They will then land in your own contact list as well as the team's contact list.

4 **After scanning you have the option to:**

- Score the Lead from 1 to 5
- Qualify the lead with your own custom questions
- Add a tag
- Add a note
- Print/Export a pdf with all information
- Export the contact details directly into your mobile phone contacts

SETTING UP QUALIFICATION QUESTIONS

Create **custom qualification questions** to help your team assess and prioritize leads efficiently.

Drag and drop qualification fields to customize the order and structure of your questions.

Different question types:

- single choice answers
- multiple choice answers
- long text fields.

All responses are stored and available for **export**, ensuring easy access and follow-up.

EXPORTING LEADS

You can easily manage your leads in the App Exhibitor Center (exhibitors.onegiantleap.com).

Statistics about your company's booth and your **team's activity**

Table with the contacts made by your fellow team members.

Download an Excel with the list of people your team interacted with.

LEAD RETRIEVAL GUIDE

LEAP

AI RECOMMENDED LEADS DASHBOARD

Identifies high-potential leads from engagement

AI Recommended Leads feature which helps exhibitors identify and prioritize high-potential attendees by **analyzing real-time interaction data**.

Key Benefits:

- **AI-driven lead recommendations** based on attendee interactions
- **Ranks leads using** interaction and engagement scores
- **Each lead is displayed with profile details**, including their name, job title, organization and last activity.
- **You can also see if a connection request** has been sent and which team member is assigned to the lead.
- **Under "View activities" to see** specific actions they took. This gives you a detailed overview of the lead's interactions with your booth and helps prioritize follow-ups.
