MIDDLE EAST AND AFRICA

I have been attending Black Hat for over 25 years, and this year's Black Hat MEA conference was one of the best experiences I have had. I saw how young and vibrant our community is, and I am so proud to be a part of the changes happening in cybersecurity.

Black Hat MEA delivered an exceptional experience world-class content, inspiring speakers, and flawless execution. The attention to detail, professionalism, and hospitality set a new standard for global cybersecurity events. It was an honor to participate in a conference that truly brings the community together and showcases the future of cyber innovation.
